Labor to rework equipment	\$75.00 per hour
Parts to rework equipment	Parts cost plus 10%

Billing

Storage will be billed on the 1st day of each month, one month in advance. Upon receipt of a new storage shipment, Spin will automatically bill the storage customer for the current month's fees for said shipment. Monthly storage fees are billed for each month in its entirety, regardless of how many days the property was will actually be stored for.

All invoices must be paid in full prior to the release of goods from storage.

In the event that a customer's account becomes delinquent over 90 days, Spin reserves the right to sell, auction or otherwise dispose of the stored property in order to recover the delinquent balance. Any surplus of funds over the balance on the delinquent account will be refunded to the customer.

Freight Carriers

Spin can arrange bonded or domestic freight to or from our facility. All bonded goods must be shipped via a bonded freight carrier. If you prefer to arrange your own freight Spin will require a copy of freight carrier's bond for our records.

Incoming Shipments

All goods arriving at spin will require the following documentation:

- 1) Commercial Invoice
- 2) Packing List (must show equipment model and serial numbers)
- 3) Weight in lbs per item
- 4) Name of the Freight Carrier

Bonded Import Documentation

Spin will process all bonded documentation from Port Everglades or Miami for a fee of \$65.00 per shipment. Any freight being transported to or from another port may require a customs broker. Spin can assist with the names of brokers in other locations.

Domestic Import Documentation

All domestic (customs cleared) items entering or exiting spin's facility require a domestic entry/exit documentation. The fee for this service is \$30 for each shipment entering or exiting our facility.

Import Fees

Any additional fees incurred as a result of a shipment will be billed to the customer upon receipt of goods. They will appear as itemized charges on your first invoice for the shipment. These fees may include Harbor Maintenance fees, Import duties, Consumption Entry fees, and others.

Equipment Storage Contract

Outgoing Shipments

All shipments of gaming equipment stored at our facility must eventually be shipped to a legal destination. Legal destinations can be described as foreign destinations or facilities that possess a current Department of Justice letter authorizing them to be in possession of Gaming Equipment.

Export Documentation

Spin can process Shippers Export Documentation (S.E.D.) for all outgoing export shipments; there will be a charge of \$20.00 per S.E.D. In order to process and file an S.E.D., Spin will require the following information:

- 1) Your company federal number
- 2) Consignee name and address
- 3) Final destination
- 4) Forwarding agent
- 5) Commercial invoice
- 6) Carrier
- 7) Flight number or voyage
- 8) Port of export
- 9) Port of unloading

Spin is not responsible for shipments to non-registered facilities.

Rework or Servicing of Equipment

In compliance with Foreign Trade Zone (FTZ) and US Customs security policies, the rework of any equipment within the FTZ may only be carried out by Spin personnel.

Exceptions can be made on goods that Spin cannot service. In these cases, the visiting technicians are in our facility for a period longer than 2 days, the visiting technician must apply for a security badge with the Broward County Sheriff's Office. Broward County Sheriff's office will conduct a criminal background check on every new applicant.

Power of Attorney

In order to process specific documentation required by the Foreign Trade Zone and US Customs, Spin requires a Power of Attorney on file from each of its storage customers.

Loss and Damage to Stored Property

Spin shall exercise reasonable care to protect the property from theft or damage. Responsibility for theft or damage to property that does not result from Spin's negligence shall be borne by the Owner.

This form needs to be notarized and faxed back to our attention before freight arrives at our facility.
